# School of Aviation and Academy of Aviation

NMIMS Deemed-to-be University's School of Aviation (SOA) offers a comprehensive B.Sc. Aviation program at its Mumbai and Shirpur campuses, with Shirpur located 60 km from Dhule, Maharashtra. The curriculum is meticulously designed to provide both theoretical knowledge and practical skills essential for success in the aviation sector. This integrated approach equips students with critical decision-making abilities and hands-on expertise, preparing them to excel in diverse flight situations and meet the demanding standards for global aviation industry.

NMIMS, School of Aviation is a premier institution dedicated to fostering the next generation of aviation professionals. Our comprehensive B.Sc. Aviation program is meticulously designed to meet the dynamic demands of the aviation industry and is integrated with our own flying club (Academy of Aviation, Shirpur) approved by the Directorate General of Civil Aviation (DGCA). Our B.Sc. Aviation program is structured to provide a robust foundation in aviation science and flight training practical. With a focus on both theoretical knowledge and hands-on training, students are well-prepared for a variety of careers in aviation industry.

The program provides the theoretical foundation for a Commercial Pilot License (CPL) and insights into ATC, airport management, and airline operations. Combining academic rigor with industry-relevant training, the course prepares students for careers as pilots for different categories of aircraft fleet.

B. Sc. Degree in Aviation will be awarded to the student only after submitting verified Commercial Pilot License (obtained from DGCA / ICAO / FAA / JAR / CASA / TPT.CANADA)
