

SHIRPUR

**Mukesh Patel School of Technology Management & Engineering
Shirpur Campus
ISTE Student Chapter**

(Institute Membership Number-2201)

Student Branch Institute Coordinator	Dr. Suresh Kurumbanshi
Membership Number	LM56508

Strength

The ISTE Student Chapter serves as a strong platform for enhancing students' technical knowledge, professional skills, leadership abilities, and innovative thinking. The chapter actively encourages participation in workshops, seminars, technical events, project exhibitions, industrial interactions, and skill development activities. It promotes teamwork, research aptitude, communication skills, and industry-oriented learning among students while creating a healthy academic and professional environment.

Goal

The primary goal of the ISTE Student Chapter is to bridge the gap between academic learning and industry requirements by providing opportunities for technical exposure and professional development. The chapter aims to motivate students towards innovation, research, entrepreneurship, and lifelong learning while developing competent engineers with ethical values, leadership qualities, and social responsibility.

Student Chapter Chairperson	Manasvi Bhardwaj
Membership Number	38

Strengths:

- Good communication and coordination skills
- Calm and composed approach, especially in challenging situations
- Responsible and reliable in handling tasks
- Able to work well both in a team and independently
- Organized and capable of managing events smoothly
- Quick learner with a practical problem-solving mindset

Goals:

- To organize technical and non-technical events that add value to students' learning
- To create a platform where students can enhance their skills beyond academics
- To promote innovation, creativity, and practical knowledge among members
- To encourage active participation and collaboration within the chapter
- To build a strong and supportive student community
- To contribute to the overall growth and recognition of the ISTE Student Chapter

Vice Chairperson	Devayani Hekare
Membership Number	59

Strengths:

- Strong leadership and organizational abilities
- Effective communication and teamwork skills
- Proactive and responsible approach
- Adaptable with a problem-solving mindset
- Dedicated and consistent in achieving goals

Goal:

- Contribute to the advancement of technical education
- Promote practical learning and industry-relevant skills
- Encourage participation in technical events, innovation, and research
- Bridge the gap between academic knowledge and real-world application

Joint Secretary	Shrutika Patil
Membership Number	51

Strengths:

- Strong communication and public speaking skills, enabling effective coordination across teams and events.
- Proven leadership experience through roles like Class Representative.
- Excellent team collaboration with the ability to work independently when required
- Organized and detail-oriented, with hands-on experience in event coordination and documentation
- Strong problem-solving mindset with a practical, solution-driven approach
- Ability to manage multiple responsibilities efficiently with good time management
- Quick learner with adaptability to dynamic environments and challenges

Goals:

- To bridge the gap between academic knowledge and real-world industry skills
- To organise meaningful technical and non-technical events that provide hands-on learning experiences
- To promote innovation by encouraging students to participate in hackathons, workshops, and projects
- To increase student engagement through interactive and value-driven ISTE initiatives
- To build a collaborative environment that strengthens peer learning and teamwork
- To enhance the visibility and impact of the ISTE Student Chapter within and beyond the campus.

Technical Coordinator	Krisha Desai
Membership Number	52

Strengths:

- **Leadership:** Proven experience as S4DS Student Lead and Class Representative managing technical teams.
- **Technical Expertise:** Strong foundation in Data Analytics, GenAI, and full-stack development (Java/DBMS).
- **Project Delivery:** Demonstrated ability to execute complex technical projects from architecture to deployment.
- **Strategic Planning**

Goals:

- **Skill Advancement:** Launch hands-on workshops focusing on industry-relevant tools like Python and AI.
- **Competitive Growth:** Create a mentorship framework to increase member participation in national hackathons.
- **Operational Standards:** Enforce the use of GitHub and professional documentation for all club initiatives.
- **Integrated Learning:** Align technical projects with business analytics to maximize the dual-degree advantage.

Active Member	Itee Yadav
Membership Number	48

Strengths:

- Strong technical knowledge
- Leadership skills developed through active participation
- Effective teamwork abilities
- Good communication skills
- Experience in workshops and event management

Goals:

- To continuously enhance my technical expertise
- To contribute to innovative projects
- To become an industry-ready professional
- To guide and mentor others in the future
